About Perfect Capital Solutions

Since 1987, Perfect Capital Solutions has provided flexible, high-quality financing options to businesses all across the country. Now we'd like to offer you a financing solution – designed to make your equipment acquisition fast, easy, and cost effective!

Special Programs

We offer a wide variety of special payment plans for our clients to choose from. We'll work with you to find the plan that best suits your needs. Among our most popular programs are:

Six Months Deferred Payment: \$25 payments for six months, then regular monthly payments for the rest of the lease term. In effect, a 36-month lease would become a 42-month lease, with payments of just \$25 made over the first six months.

Seasonal Skip Payment: Lots of our customers have a slow period during part of the year. At such times, these clients find it advantageous to postpone lease payments. Using the seasonal skip payment plan, you get to choose the three months of each year during which you wish to avoid making lease payments.

Earn Extra Income with our Referral Program

In addition to high-quality financing programs, we offer you an opportunity to make hundreds, or even thousands of dollars with our Referral Program.

It's simple – you give us the names of companies that you buy equipment from OR other companies they may need to finance a piece of equipment. Then, **EACH TIME** we complete a transaction for someone you referred to us, **we'll send you \$100...** up to FIVE TIMES per referral!

Please fill in your referrals below and **FAX this page to 800.843.2948**. We'll set up your referral account right away!
